NFAC

ODP # 81-1252

18 September 1981

MEMORANDUM FOR: Deputy Director of Data Processing

FROM : [REDACTED]
NFAC ADP Control Officer

THROUGH : Director of Strategic Research *Handwritten initials*

SUBJECT : The ODP Computer Center [REDACTED]

REFERENCE : Memo from C/PMES to D/ODP and D/OC, dated
4 September 1981, subject: ADP and Related
Communications Requirements [REDACTED]

1. Office of Data Processing Personnel have requested additional information, relative to the reference, on Office of Soviet Analysis (formerly called USSR office) requirements for the ODP Computer Center [REDACTED] That information follows:

- About 150,000 daily lines of print (100,000 lines batch and 50,000 lines VM) in [REDACTED] ODP Center will be required.
- Except for cut paper (IBM 6670-type device), we expect no special forms requirements that require printing at [REDACTED]
- A Class S Hetra printer is required for SCRIPT (as indicated in the reference) until an IBM 6670-type cut paper device can be provided.
- Normal working hours for the center of 0600 to 1800 hours is acceptable. However, we will require, with advance notice, that the center be opened outside of normal hours on evenings and weekends for several hours an estimated six times per month.
- [REDACTED] OD/ODP, will establish by 2 October procedures for Soviet Analysis personnel [REDACTED] to log temporary (Z and Y) tapes into and out of the Ruffing Center.

CONFIDENTIAL

2. The above items (except for the IBM 6670 type device)
are required at the time of the move to [REDACTED] If you
have questions about these or other NFAC requirements on the ODP
Center at [REDACTED] please call me on [REDACTED]
